

When I first saw you, the end was soon  
To Bethlehem, it slouched and then  
Must've caught a good look at you  
Give your heart and soul to charity  
'Cause the rest of you, the best of you  
Honey, belongs to me

Ain't it a gentle sound, the rollin' in the graves?  
Ain't it like thunder under earth, the sound it makes?  
Ain't it excitin' you, the rumble where you lay?

Ain't you my baby?  
Ain't you my babe?

Nothing fucks with my baby  
Nothing can get a look in at my baby  
Nothing fucks with my baby  
Nothing, nothing, nothing, nothing

If I was born as a blackthorn tree  
I'd wanna be felled by you, held by you  
Fuel the pyre of your enemies  
Ain't it warmin' you, the world goin' up in flames?  
Ain't it the life where you you're lightin' off the blaze?  
Ain't it a waste it watch the throwing of the shade?

Ain't you my baby?  
Ain't you my baby?

Nothing fucks with my baby  
Nothing can get a look in at my baby  
Nothing fucks with my baby  
Nothing, nothing, nothing, nothing

Nothing fucks with my baby  
Nothing can get a look in at my baby  
Nothing fucks with my baby  
Nothing, nothing, nothing, nothing

Nothing fucks with my baby  
Nothing can get a look in at my baby  
Nothing fucks with my baby  
Nothing, nothing, nothing, nothing
