

Amusement

Hüsker Dü

I'm not easily amused
And I'm not easily amazed
Don't you do something different?
And I wont even be fazed.
Yeah got you're letter
Was it an invitation?
You created this situation
You're my friend, my dear friend
got your little project
wanna be that project?
JUST DO IT!
I'm not easily amused by you
Not easily amazed
Don't you do something different?
Won't even beat me
Yeah got you're letter
Was it an invitation?
You created this situation
