

# Terms of Psychic Warfare

Hüsker Dü

I see you walking down the road  
And the thoughts within my mind explode  
But having to hold back taught me a lot about control  
And letting it all loose at once when it was time to let you know  
You occupied my space and you occupied your mind  
By jumping off the roof to the first conclusion you can find

Now all the silver you can steal  
Can't buy a piece of what I feel  
It's sad but the means they just don't justify the ends  
To be forever haunted by the ghosts of all your friends  
Painful, yeah that's the way you've chosen it to be  
C'mon can't you think of anyone besides me?

Now don't think you're the only one who harbours a self hate  
I'm just as guilty of selling what my sweet soul creates  
And don't feel bad the next time my memory comes creepin'  
You've got your own bed now, I suggest that's the one you sleep in
