

Lost At Sea

Hugh Dillon

Lost it all
I've been lost at sea
Off the coast of eternity
Seems to me I've been gone a long time

Trouble is, trouble was
I crossed the line into just because
Turned around in the wrong place at the wrong time

We're holding up and we hold our breath
No sudden moves and no regrets
All we have are moments 'til the next time

Don't see him smiling from balconies
And there are no roses laying at my feet
Won't you please please remember me
At the shore line

Before this ship ever sets sail
Before we launched out on the waves
Before the tide turned the tables in our lives

Lost it all
I've been lost at sea
Off the coast of eternity
Seems to me I've been gone a long time
