

Police Dog Blues

Hugh Laurie

All my life I've been a traveling man
All my life I've been a traveling man
Staying alone and doing the best I can
I hold my trunks down to Tennessee
I hold my trunks down to Tennessee
It's hard to tell about a man like me

I met a girl I couldn't get her off my mind
I met a girl I couldn't get her off my mind
She passed me up sayin' she didn't like my kind
I'm scared to bother around her house at night
I'm scared to bother around her house at night
She got a police dog and he's spoiling for a fight

His name is Rambler and when he gets the chance
His name is Rambler and when he gets the chance He leaves his mark on everybody's pants
I think I'll travel, now I think I'll let her be
I think I'll travel, now I think I'll let her be
Before she sends that police dog on me
Before she sends that dog on, dog on me
