

I wanna find that perfect moment
To believe in love wanna spread my wings and fly
But every time you get up close to me
I'm constantly reminded
How much tears can cost
How much hope is lost when love dies

Deja Vu
Have I been here before with you
Didn't want to
Cause I don't wanna make
The same mistake with you
Deja Vu
Yes I've been here before it's true
Deja Vu
And I don't wanna make
The same mistake with you

And I wanna swim through loves emotions
Wanna trust in you and
Leave these doubts behind
But lately you've become a mystery
I'm constantly afraid now
Said you'd spare me pain
Never play those games but you lied

Deja Vu
Yes I've been here before it's true
Deja Vu
And I don't wanna make
The same mistake with you
I know that somethings going wrong
So how can we just carry on
But its so hard to move along without you
Without you

Don't - I'm in love with you
And I'm feelin' like it's
Deja Vu
Don't - A mistake with you
Is a thing I don't wanna do
