

# Everytime

## Human Nature

Can you believe my luck  
Can you believe our love  
Everything you do is somehow just so amazing  
You take me to the clouds above  
With you the only way is up  
Baby in your eyes I'm helpless you drive me crazy

I know your face like it were part of me  
And your embrace is just too good to believe  
Everytime

Everytime you feel the rush  
Everytime it's only us  
Everytime I'm swept off my feet  
Everytime we need to touch  
Everytime it's much too much  
Everytime  
Everytime I feel your love (oh yeah)

Still feels like our first kiss  
The only thing I can't resist  
Everything we do just keeps getting better baby

Ain't nowhere that I'd rather be  
Nothing else I want to see  
(Don't you know)  
When I'm in your arms the best of my life surrounds me

I know your hands like they were made for me  
The way you give exactly just what I need  
Everytime

Everytime you feel the rush  
Everytime it's only us  
Everytime I'm swept off my feet  
Everytime we need to touch  
Everytime it's much too much  
Everytime  
Everytime I feel your love (oh yeah)

Everytime I lay you down  
I feel like you're forever  
I feel like I'm the one  
Everytime I feel your love (oh yeah)

The way we make love  
I just can't get enough  
The way you look at me I fall at your feet (oh)  
I'll never let you down  
'Cause you're the only thing I need  
You're everything to me

Everytime you feel the rush  
Everytime it's only us  
Everytime I'm swept off my feet  
Everytime we need to touch  
Everytime it's much too much

Everytime  
Everytime I feel your love (oh yeah)

Everytime I lay you down  
I feel like you're forever  
I feel like I'm the one  
Everytime I feel your love (oh yeah)
