We're gonna have a party Let's have a party

Come on people, grab somebody Everybody's on the floor, got the groove 2 on 4 So come on take me, 'cause I've been waiting For this party to arrive, so won't somebody shut the light

Lover here for every kind Everybody's satisfied Livin' every moment 'cause it feels so fine

We're gonna have a party, everybody party Let's have a party, everybody party We're gonna have a party, everybody party Let's have a party, 'til the break of dawn

Everybody gather round now
Human Nature 'bout to play, all the ladies gonna stay
So come on down now, we got it goin'
Well this night ain't gonna die 'cause everybody's feelin' fine

Lover here for every kind Everybody's satisfied Livin' every moment 'cause it feels so fine

We're gonna have a party, everybody party Let's have a party, everybody party We're gonna have a party, everybody party Let's have a party, 'til the break of dawn

Everybody's gonna feel so fine, ya gotta check the beat Everybody's gonna feel so fine, ya gotta check the beat It's gettin' early, nobody sleeping

I ain't a workin' 9 to 5, that kind of thing it just ain't right So party people, gather round now 'Cause I got something to say - and this party's here to stay

We're gonna have a party, everybody party Let's have a party, everybody party We're gonna have a party, everybody party Let's have a party, 'til the break of dawn

There ain't no other I'd rather be lovin' with baby Down on the floor is the place I'll be doin' ya baby
