

## Keep Together

### Hunter Hunted

I don't care what you might say  
I'm gonna become the way  
I was meant to feel the world

Oh, oh oh oh, oh oh oh

So give yourself another try  
Compromise your own mind  
Leave me be and finally see  
All the reasons why, why

Oh  
We'll keep together and oh  
Make it better

Oh  
We'll keep together and oh  
Make it better

So you see it's you and me  
And everybody in between  
Doesn't matter if we're green

Oh, oh oh oh, oh oh oh

Straining out the body  
We're sending for the starting gate  
This day might turn okay  
It will be okay, oh okay.

Oh  
We'll keep together and oh  
Make it better

Oh  
We'll keep together and oh  
Make it better
