

I Remember You

Huntingtons

One, two, three, four

I remember you, I remember you
I remember you

I remember lying awake at night
And thinking just of you
But things don't last forever
And somehow, baby
They never really do, they never really do

I remember you, I remember you
I remember you

I remember lying awake at night
And thinking just of you
But things don't last forever
And somehow, baby
They never really do, they never really do

I remember you, I remember you
I remember you

I remember you, I remember you
I remember you, I remember you

I remember you, I remember you
I remember you

I remember lying awake at night
And thinking just of you
But things don't last forever
And somehow, baby
They never really do, they never really do

I remember you, I remember you
I remember you

I remember you, I remember you
I remember you, I remember you
