```
One, two, three, four
I remember you, I remember you
I remember you
I remember lying awake at night
And thinking just of you
But things don't last forever
And somehow, baby
They never really do, they never really do
I remember you, I remember you
I remember you
I remember lying awake at night
And thinking just of you
But things don't last forever
And somehow, baby
They never really do, they never really do
I remember you, I remember you
I remember you
I remember you, I remember you
I remember you, I remember you
I remember you, I remember you
I remember you
I remember lying awake at night
And thinking just of you
But things don't last forever
And somehow, baby
They never really do, they never really do
I remember you, I remember you
I remember you
I remember you, I remember you
I remember you, I remember you
