Kenny at the corner
Getting back in town
Kenny at the corner
Always be around
Well she never do you routine
Shes the one who thinks of you
Kenny at the corner
Makes a little joke
Kenny at the corner
Never take a dope
Well she's rockin at the railroad
Do you like it i don't know
Kenny at the corner
Shes the one for me
Kenny at the corner
Never let me free
Well i never know bout future
But i like you yes i do
Kenny at the corner
Kenny at the corner
Kenny at the corner
Kenny at the corner
Kenny at the corner
But i love you yes i do
