

House Carpenter

Hurt

Our mistake was the love we made
I didn't deliberate
But I never meant you wrong
No I didn't mean it

If you've ever lost a loved one
I pray for you, I really do
If you've ever lost a loved one
I pray for you...

'Cause there s a sad and lonely comfort
In the hollow of your eyes
But don't you let it take you over
'Cause it will eat you up inside

I heard you're married to a house carpenter
And your love will never be mine...

If you're not breathing why am I
Left alone in this ship
If you're not breathing
Why am I left alone?
With a sad and lonely comfort
Of the hollow in your eyes
But don't you let it take me under
'Cause it will eat me up inside

I'm sure you're married to your house carpenter
And your love will never be mine ...
All the pain and the way it was
All of the shame and the hate, because
I was in love with the way it was
All that I do I do for you

All the pain and the way it was
All of the shame and the hate, because
I was in love with the way it was
All that I do I do for you
If you're not breathing
Why am I? left alone in this shit.
If you're not breathing
Why am I left alone?

With a sad and lonely comfort
Of the hollow in your eyes
But won't let it take me over
'Cause it will eat me up inside

I'm sure you're buried with your house carpenter
And your face I'll never see no more
Your face I'll never see no more
Your face Your face Your face Your face...

With a sad and lonely comfort
Of the hollow in your eyes
But I won't let it take me under
'Cause it will eat me up inside

Yeah I heard your married to a house carpenter
And your love will never be mine
No, your love will never be mine...
