

I'm a lion in a freak show  
With a twisted point of view  
I feel like I'm living in lies  
And I don't know what to do

So is this as good as it gets?  
Gotta take my chance to know  
I can't wait until it's too late  
I was made for so much more

Oh no nobody's safe now  
Lock me down but I'm gonna break free  
I'm taking back the night

I've been looking for a reason  
I've been searching for my truth  
We only know what they wanna show  
It's a game we were made to lose

So is this as good as it gets  
Gotta take my chance to know  
I can't wait until it's too late  
I was made for so much more

Oh no nobody's safe now  
Lock me down but I'm gonna break free  
I'm taking back the night

Oh no nobody's safe now  
Lock me down but I'm gonna break free  
I'm taking back the night

This time let the lesson be  
Lock us down and we're gonna get free  
This time let the lesson be  
Lock us down and we're gonna get free

This time let the lesson be  
Lock us down and we're gonna get free  
This time let the lesson be  
Lock us down and we're gonna get free

Oh no nobody's safe now  
Lock me down but I'm gonna break free  
I'm taking back the night

Oh no nobody's safe now  
Lock me down but I'm gonna break free  
I'm taking back the night
