Queen Of Rain

In that big big house there are fifty doors And one of them leads to your heart In the time of spring I passed your gate And tried to make a start All I knew was the scent of sea and dew I've been in love before, how about you

There's a time for the good in life A time to kill the pain in life Dream about the sun, you queen of rain

In that big old house there are fifty beds And one of them leads to your soul It's a bed of fear, a bed of threats Regrets and sheets so cold All I knew, your eyes so velvet blue I've been in love before, how about you

There's a time for the good in life A time to kill the pain in life Dream about the sun, you queen of rain It's time to place your bets in life I've played the loser's game of life Dream about the sun, you queen of rain

Time went by as I wrote your name in the sky Fly, fly away, bye bye

It's time to place your bets in life I've played the loser's game of life Dream about the sun, you queen of rain Dream about the sun, you queen of rain Dream about the sun, you queen of rain, mmm Dream about the sun, you queen of rain (dream about the sun)
