

# When You Call My Name

Hydria

I didn't know how to say goodbye  
And every time you called I walked away  
I was just trying to find my path in life  
But that doesn't mean I don't care about you 'cause I still do

All of those memories I just can't erase  
They're living in my mind  
And I will always be there  
When you call my name

Is it too late to say I'm sorry? 'Cause I am  
Is it too late to sing your song?  
Here is my voice, it's for you  
It's to say how much I miss you  
But I was too blind, too cold  
Too far to reach your hand

You know it's not easy to forget  
I needed time to calm down and understand  
And finally I feel ready to get close to you  
To be your friend and let you hold me in your arms again

All of those memories I just can't erase  
They're living in my mind  
And I will always be there  
When you call my name

Is it too late to say I'm sorry? 'Cause I am  
Is it too late to sing your song?  
Here is my voice, it's for you  
It's to say how much I miss you  
But I was too blind, too cold  
Too far to reach your hand  
Even if I'm not always around  
I'll be your star, always shining down on you (yes I will)  
Even though we're not together

Is it too late to say I'm sorry? 'Cause I am  
Is it too late to sing your song?  
Here is my voice, it's for you  
It's to say how much I miss you  
But I was too blind, too cold  
Too far to reach your hand
