

## Lullaby

## Hypnogaja

Once upon a time  
or so the stories told  
everyone lives happily  
as the end unfolds

Forever sweet  
and never ending

All I want  
is to know why  
life is not  
a lullaby

Reality tells  
a different kind of tale  
Everybody tries to win  
but everyone fails

It's never sweet  
and never ending

All I want  
is to know why  
life is not  
a lullaby

It's all a lie  
Tell me why  
It's all a lie  
the lullaby

All a lie, all a lie  
Tell me why, tell me why  
All a lie, all a lie  
Lie

All I want  
is to know why  
life is not  
a lullaby
