

# The Quisling Celebration

Hypnos

Blockhead march-past "Miss empty face"  
Quisling's summer Olympic games  
Iron elbows for hurdle race  
Puppet show on wide open stage

Innocent thoughtless applause  
over the ground  
Non faced clapping masses  
all around

Celebration  
Treason art  
Serpent's fashion  
Only trust is denied  
Let's toll the bell...

News on cringers championship  
with no backbone - a way more easy  
Hey, get ready for ruthless run  
backdoor open, no scorn no fun

The traitors still stand in first line  
that mirrors what nation we are  
instead of let the eat own manure and to drink blood  
we pretend seeing nothing  
hear twice nothing  
deaf and dumb.

With no courage there's no way to win  
with arrogance in harmony  
when morality is a fake  
centuries left to awake

When facing blind public  
stay in mask  
Important double meter  
still at hand
