

Save Me From The Dance Floor

I Fight Dragons

Save me from the dance floor [x2]
I can't take it any more [x2]
Save me from the dance floor [x2]
I can't take it any more [x2]

It's friday night and I'm alone
No plans and no one else at home
Got my headphones on
Got my favorite song
And the night is young...

Save me from the dance floor [x2]
I can't take it any more [x2]
Save me from the dance floor [x2]
I can't take it any more [x2]
You never know
Which way to go
Until you're gone so
Bend an ear, cuz baby we're at war
Save me from the dance floor

I leave and drive around the town
Full speed and all the windows down
Turn the music on, start my favorite song
All at once I'm gone...

Save me from the dance floor [x2]
I can't take it any more [x2]
Save me from the dance floor [x2]
I can't take it any more [x2]
You never know
Which way to go
Until you're gone so
Bend an ear, cuz baby we're at war
Save me from the dance floor
