

Only A Show

I Monster

[Verse 1]

Oh Lord, I'm sitting down

Oh Lord, I'm praying now

Oh Lord, I know that it's alright when I'm with you

[Refrain]

It's only a show

But only the best get to go

[Verse 2]

Oh no, it's hurting now

Oh no, I'm playin' now

Oh no, I feel alright when I'm with her

She knows

[Refrain]

It's only a show

But only the best got to go

[Verse 3]

Float down the river in your arms

Call out, "Forget loves, it goes on and on"

'Cause I know how much you taste

As they open up the gate

[Bridge]

Oh, when I'm with her

She knows

[Refrain]

It's only a show

But only the best get to go

[Outro]

Oh Lord, I'm laying down

Oh Lord, I'm laying down

Oh Lord, I'm laying, but still, I'll be prayin'

If that's alright with you
