

# The Holy Man

I Monster

Baby don't u come so close  
I'm holy man  
So lonesome to a ghost  
I'm a holy man

Baby don't u come so close  
I'm holy man  
So lonesome to a ghost  
I'm a holy man

here I lay  
Dreaming a while  
One taste your lips today  
Sunday Monday all the same

What's my way?

here I lay  
Dreaming a while  
One taste your lips today  
Sunday Monday all the same  
What's my way?  
Here we pray everyday  
Please cape this devils away  
Tuesday Wednesday all the same  
What a shame!
