

# The Hound and the Fox

I the Mighty

No sleep for the sick! Been stayin' up too late...  
Draining out the chemicals, trying not to make mistakes.  
Little do they know that any given day,  
I'll expose all their hypocrisies...  
Express my inner rage.

Oh tell me this:  
If you can say it to the public, why can't you say that shit to  
your kids?  
Don't act like money's not the factor.  
You're an actor

And it would blow everybody's mind if they could see just what  
lies behind the velvet curtain, the office door.  
I'll give them no choice. I'll give them no choice.

I can't catch my breath! Been working to the bone.  
Dottin' on all the "i's" and crossin' every "t" I own.  
This ain't pullin' thread... No, baby this is war!  
I'll be the cog to end their cash machine.  
They'll rue the day the hound came to their door.

The real crooks ain't wearin' ski masks.  
No, they're walkin' around in suits.  
They feed us lies in American wrapping.  
They're just acting...

And it would blow everybody's mind. (I wish it didn't have to c  
ome to this)  
If they could see just what lies behind. (I wish I didn't have  
to make a mess)  
The velvet curtain, the office door. (But I've got no choice)  
I'll give them no choice.  
(2x)  
I'll give them no choice.

And it would blow everybody's mind. (I wish it didn't have to c  
ome to this)  
If they could see just what lies behind. (I wish I didn't have  
to make a mess)  
The velvet curtain, the office door. (But I've got no choice)  
I'll give them no choice.

I'm gonna blow everybody's mind, when they all see just what li  
es behind the velvet curtain, the office door.  
I'll give them no choice.  
I've got my voice.
