

On The Phone

I Voted For Kodos

Got introduced to you by a friend of mine
He told me that he calls you all the time
I called you up, I'm so glad you were there
You told me all about your underwear
So I call you

976-8359
I'll call you for a good time
Night or day your always home
Dial your number, I'm spanking off on the phone

Oh Vanessa, you know you fucking rule
You never treat me bad like the girls at school
They bring me down, you put a smile on my face
But just like them, you never come to my place
So I call you

976-8359
I'll call you for a good time
Night or day your always home
Dial your number, I'm spanking off on the phone

976-8359
I'll call you for a good time
Night or day your always home
I know you'll never leave me alone

Yeah, yeah, Oh, no
