

You can't be the knight, you can't be the knight
You can't be the knight, you can't be the knight
You can't be the knight, you can't be the knight
You can't be the knight, you can't be the knight
You can't be the knight, you can't be the knight
You can't be the knight, you can't be the knight
You can't be the knight, you can't be the knight
(Can't be the knight, can't be the knight)
You can't be the knight, you can't be the knight
(Can't be the knight, can't be the knight)

You can't be the knight, you can't be the knight
You can't be the knight, you can't be the knight
You can't be the knight, you can't be the knight
You can't be the knight, you can't be the knight
