Babasonicos

Ian Brown

You weren't there that night
You didn't get it right

You weren't there that day
I know you will never know
That the lady got no soul

She got no soul, yeah

You weren't there that night
You didn't get it right

You weren't there that day
I know you will never know
That the lady got no soul

She got no soul, yeah

She got no soul, yeah
