## Laugh Now

Ian Brown

Laugh now, Man are from heaven, Laugh now, Laugh now Laugh now, We're coming together, Laugh now, Laugh now If wishes were horses, The beggars would rise, And raise up their voices, To golden red skies I'm moving up further, I'm swimming upstream, I'm digging my best, I'm holding onto the tree Laugh now, I'm waiting forever, Laugh now, Laugh now Laugh now, Travelling farther, Laugh now, Laugh now
