

## What Happened to Ya Part 2

Ian Brown

What happened to ya  
Did you change your mind  
What happened to ya  
We were one of a kind  
Did you bury your face  
Like an ostrich  
You can't seem to hold on  
You can't seem to get it on, get it on, get it on

What happened to ya  
Did you change your mind

What happened to ya  
Did you change your mind

What happened to ya  
We were one of a kind  
Did you bury your face  
Like an ostrich  
You can't seem to hold on  
You can't seem to get it on, get it on, get it on

Did you change your mind  
What happened to ya  
We were one of a kind  
Did you bury your face
