

Driving Me Wild

Ian Gillan

DRIVING ME WILD

Stiffen up my bones
Summing up my humility
I've shared a million tears
of shame and tears of rage

I was born a king
You are looking at majesty
how can you make me laugh
behind these bars

Choir:
Driving me wild
It's a driving me wild
Driving me wild.

How do you feel?
Not a master of me at all
Now can you see my strength
Oh I'm done,
I'm nearly done

Can't feel no more
See me weeping on the floor
Where is my jungle gone?
Oh where?...

Choir:
Driving me wild
It's a driving me wild
Driving me wild.
