Gangsta Rap Made Me Do It

Ice Cube

Maestro!!!

Blame me

You niggaz know my pyroclastic flow You niggaz know my pyroclastic flow flow You niggaz know my pyroclastic flow it's R-A-W, R-A-W

You looking at the grand wizard, war lord vocal chord so vicious And I don't have to show riches to pull up pull off with some bad bitches And it ain't about chivalry It's about dope lyrics and delivery It's about my persona ain't nothing like a man that can do what he wanna Ain't nothing like man on that you knew on the corner See 'em come up and fuck up the owner See 'em throw up Westside California Nigga I'm hot as Phoenix Arizona I'm utah I got multiple bitches It's a new law keep a hold of yo riches Dumb nigga don't spend it as soon as you get it And recognize I'm a captain and you a lieutenant

I can say what I want to say ain't nothin to it gangsta rap made me do it If I call you a nigga ain't nothin to it gangsta rap made me do it I can act like an animal ain't nothin to it gangsta rap made me do it If I eat you like a cannibal ain't nothin to it gangsta rap made me do it

I'm raw as a dirty needle Choke an eagle Just to feed all my people Lyrically I'm so lethal Plant thoughts in they mind just to defeat you Ice Cube is a saga y'all spit saliva And I spit lava I got the fearless flow Don't get near this ho If you scared to go I keep it gangsta and why should I change that fuck you all you motherfuckers tryin to change rap But arent you the same cat that sat back when they brought cocaine back I'm tryin to get me a Maybach how you motherfuckers gonna tell me don't say that you the ones that we learned it from I heard nigga back in 1971

So if I act like a pimp ain't nothin to it gangsta rap made me do it If I call you a nappy headed ho ain't nothin to it gangsta rap made me do it If I shoot up your college ain't nothin to it gangsta rap made me do it If I rob you of knowledge ain't nothin to it gangsta rap made me do it

Thank God when I bless the mic You finally get to hear the shit that you like A nigga talkin bout real life so you can try to get this shit right Use your brain not your back use your brain not a gat It's a party not a jack (for real) Don't be scared of them people Walk up in there and show them that you equal (fuck them fuck them) Don't be material a nigga grew up on milk and cereal I never for got vaness and imperial Look at my life Ice Cube is a miracle It could be you if you was this lyrical It could be her if she was this spiritual Cuz me and Allah go back like cronies I don't got to be fake cause he is my homie

If I sell a liitle crack ain't nohin to it gangsta rap made me do it If I die in iraq ain't nohin to it gangsta rap made me do it If I take you for granted ain't nohin to it gangsta rap made me do it If I fuck up the planet ain't nohin to it gangsta rap made me do it

Oh yeah and another thing For all ya niggaz that don't do gangsta rap Don't get on TV talkin about gangsta rap Cause 9 times at a 10 you don't know the fuck you talk about Talk about that bullshit rap you do Stay the fuck out of mine
