

# Make A Move

Icon for Hire

Somebody make a move.  
Somebody make a move.  
Please somebody...

Test my reality  
Check if there's a weak spot  
Clingin' to insanity  
Hopes the world will ease up

Try to make it look like it's all somehow getting better  
'Cause I know how to play it pretty good against the measure  
Everyone started out a little insane  
But we learn pretty quick how to fake it for the game  
But some of you never learned to drop the act  
So under that skin of yours: a heart attack

'Cause everybody's so scared  
We don't wanna go there  
We don't wanna make a move  
We got all our lives to lose  
Screaming in the dark while we just play our part out  
I'll play along  
Like I don't know what's going on

Somebody make a move  
Somebody make a move  
Please somebody make a move  
We all know  
We all know what's going on

And if I had the answers I'd have written them out  
So I could tell you what to do and what this thing is about  
But all I've ever learned comes second-hand  
And I dare not preach what I don't understand

You and I; we share the same disease  
Cover up; compromise what we grieve  
I've let more than my share of revivals die  
This isn't pretty but it's what I am tonight

'Cause everybody's so scared  
We don't wanna go there  
We don't wanna make a move  
We got all our lives to lose  
Screaming in the dark while we just play our part out  
I'll play along  
Like I don't know what's going on

Somebody make a move  
Somebody make a move  
Please somebody make a move  
We all know  
We all know what's going on

Pointing my fingers the problems still linger  
They keep getting bigger and I hold the trigger  
Running with fire I live like a liar

Please somebody make a move

(Somebody make a move)  
I'm pointing my fingers  
(Somebody make a move)  
The problems still linger  
(Somebody make a move)  
I'm pointing my fingers  
(Somebody)  
Please somebody make a move

'Cause everybody's so scared  
We don't wanna go there  
We don't wanna make a move  
Screaming in the dark while we just play our part  
I'll play along

'Cause everybody's so scared  
We don't wanna go there  
We don't wanna make a move  
We got got all our lives to lose  
Screaming in the dark while we just play our part out  
I'll play along  
Like I don't know what's going on

Somebody make a move  
Somebody make a move  
Please somebody make a move  
We all know  
We all know what's going on

Somebody make a move  
Somebody make a move  
Please somebody make a move  
We all know  
We all know what's going on
