

Late Night Bimbo

Ida Corr

Hey baby girl how' you doing

Seems a long time you've been wanting
giving me loving I know you wanna be cool
but I'm freezing over here

Feels like you've been dizzing me for years
Why why why?

'Cause I'm a late night bimbo with no strings attached
A sexual lingo then men understand
Don't make me be a mamma be a wife an honourable lady
Bimbo is what bimbo does let's bimbo tonight

I just wanna be your man and hold your hand

Your lover on demand
Fell on my knees and asked you

hoping you'd say I do
but you wouldn't spend the night

if you couldn't leave without a fight
Why why why?

'Cause I'm a late night bimbo with no strings attached
A sexual lingo then men understand
Don't make me be a mamma be a wife an honourable lady
Bimbo is what bimbo does let's bimbo tonight

That's why, that's why, that's why

That's why, that's why, that's why

That's why, that's why, that's why

That's why, that's why, that's why

Oh my sweet honey don't be so up-tight
You're the only man for me at least for tonight

But how I want then quick relations

You tell me to have a patience
Why why why?

'Cause I'm a late night bimbo with no strings attached
A sexual lingo then men understand
Don't make me be a mamma be a wife an honourable lady
Bimbo is what bimbo does let's bimbo tonight
