## Quiet

I hope you don't mind me saying that I am not going to be real quiet Shh so quiet Maybe you believe that your girl won't know but there's no way that I gonna be quiet Shh just quiet

Baby boy you treat me like I'm dumb And like I don't know what's going on But clearly you just don't know me at all boy

(Can you hear me?)
I hope you don't mind me saying that I am
not going to be real quiet
Shh so quiet
(Can you hear me?)
Maybe you believe that your girl won't know
but there's no way that I gonna be quiet
Shh just quiet

See now boy I might just seem in love and as if your kisses are enough But clearly you just don't know me at all boy

(Can you hear me?)
Can you feel me?
It's time to take me seriously
Cause if you don't I'll blow your cover
you two timing wanna be lover

I hope you don't mind me saying that I am not going to be real quiet Shh so quiet (Can you hear me?) Maybe you believe that your girl won't know but there's no way that I gonna be quiet Shh just quiet

Don't believe in what your eyes might see Cause you're blind when it's regarding me But clearly you just don't know me at all boy

Can you hear me! I hope you don't mind me saying that I am not going to be real quiet Shh so quiet Can you hear me! Maybe you believe that your girl won't know but there's no way that I gonna be quiet Shh just quiet

Can you hear me! I hope you don't mind me saying that I am not going to be real quiet Shh so quiet Can you hear me! Maybe you believe that your girl won't know
