

# U Make Me Wanna

Ida Corr

Yeah what's up, peeps?  
You're now checking out the sounds of Ms. Ida Corr

Uauh wayia yauh  
Uauh you make me wanna  
Uauh wayia yauh  
Cry like a baby  
Uauh wayia yauh  
Uauh you make me wanna  
Uauh wayia yauh  
Oh yeah

Now place your hands on me  
and make me beg for more  
Ha, do your thing till I'm satisfied  
The sweets you give me  
makes my black skin glow  
Just throw your sex into it  
and I'll go  
Oh yeah

Uauh wayia yauh  
Uauh you make me wanna  
Uauh wayia yauh  
Cry like a baby  
Uauh wayia yauh  
Uauh you make me wanna  
Uauh wayia yauh  
Oh yeah

Ha, sugar take it slow  
I know where you wanna go  
Lead the way and I follow  
when I'm there hear me holler  
Undress me like a doll  
It's time to get it on  
Say my name baby

So what's the deal, mommy?  
I love your skin tone and your body  
Heard you knocked Jill out  
like Rocky like Rocky  
I can't lie you enslaved my brain  
Yeah I play your game  
Yeah I say your name

Cause you make me wanna crimp crump  
Give it up the nod  
So I can be with you all of the time  
You're a dynamic "Black Cat" like Janet  
Your looks are killing me softly  
God dammit

You take it no more  
I'm about to go down  
So I follow the sound of wayia yauh  
You don't know?

This is Ataf Khawaja  
The CPH rider  
Collabo with Ida

What's up?  
Hear me sugar  
Tell'em girl come  
Yeah

Uauh wayia yauh (You heard that ha)  
Uauh you make me wanna (in your face boy)  
Uauh wayia yauh (yeah it's Ms. Ida Corr)
