

# Cold Blooded

Ida Maria

I am cold blooded!  
I am cold blooded!  
Cold blooded, cold blooded!  
I'm a cold blooded woman  
Cold blooded, cold blooded!  
I'm a cold blooded!

Go ahead for trying with me  
You can give it all you got  
I'm not so easily distressed

I put my soul on ice  
So before you pick your price  
I've got this question in my head:  
Can you wake me from the dead?

I am cold blooded!  
I am cold blooded!  
Cold blooded, cold blooded!  
I'm a cold blooded woman  
Cold blooded, cold blooded!  
I'm a cold blooded woman!  
Yeah, yeah

Let me see your armory  
That knife looks nice and sharp  
I bet it cuts quite deep and clean

You got it all planned out  
Set up so nice and tight  
You can make a franchise of your skin  
For now the hygiene[?]

I am cold blooded!  
I am cold blooded!  
Cold blooded, cold blooded!  
I'm a cold blooded woman  
Cold blooded, cold blooded!  
I'm a cold blooded

Cold blooded, cold blooded!  
I'm a cold blooded woman  
Cold blooded, cold blooded!  
I'm a cold blooded woman
