I'm limited. Just look at me. I'm limited. And just look at you. You can do all I couldn't do. Glinda... So now it's up to you, For both of us. Now it's up to you. I've heard it said, That people come into our lives For a reason Bringing something we must learn. And we are led to those Who help us most to grow if we let them. And we help them in return. Well, I don't know if I believe that's true But I know I'm who I am today Because I knew you. Like a comet pulled from orbit As it passes a sun, Like a stream that meets a boulder Halfway through the wood. Who can say if I've been changed for the better But because I knew you. I have been changed for good. [Elphaba:] It well may be That we will never meet again In this lifetime. So, let me say before we part: So much of me Is made of what I learned from you. You'll be with me Like a handprint on my heart. And now whatever way our stories end I know you have rewritten mine By being my friend. Like a ship blown from it's mooring By a wind off the sea. Like a seed dropped by a skybird In a distant wood. Who can say if I've been changed for the better But because I knew you... [Glinda:] Because I knew you... [Both:] I have been changed for good. [Elphaba:] And just to clear the air

I ask forgiveness For the things I've done, You blame me for. [Glinda:] But then I guess, We know there's blame to share. [Both:] And none of it seems to matter anymore. Like a comet pulled from orbit (Like a ship blown from it's mooring) As it passes a sun. (By a wind off the sea) Like a stream that meets a boulder (Like a seed dropped by bird) Halfway through the wood. (In the wood) Who can say if I've been changed for the better. I do believe I have been changed for the better. [Glinda:] And because I knew you... [Elphaba:] Because I knew you... [Both:] Because I knew you

I have been changed... For good.
