

# Let It Go

Idina Menzel

Intro:

**Emi** C D **Ami**

**Emi** C D A

**Emi** C  
The snow glows white on the mountain tonight

D **Ami**  
Not a footprint to be seen

**Emi** C  
A kingdom of isolation,

D A  
And it looks like I'm the queen.

**Emi** C D **Ami**  
The wind is howling like this swirling storm inside

**Emi** D A  
Couldn't keep it in, heaven knows I've tried!

D C  
Don't let them in, don't let them see

D  
Be the good girl you always have to be

C  
Conceal, don't feel, don't let them know  
Well, now they know!

Chorus:

G D  
Let it go, let it go

**Emi7** C  
Can't hold it back anymore

G D  
Let it go, let it go

**Emi7** C  
Turn away and slam the door!

G D  
I don't care

**Emi7** C  
What they're going to say

G **Gmi**  
Let the storm rage on,

C  
The cold never bothered me anyway!

It's funny how some distance  
Makes everything seem small  
And the fears that once controlled me  
Can't get to me at all!

It's time to see what I can do  
To test the limits and break through  
No right, no wrong, no rules for me I'm free!

Let it go, let it go  
I am one with the wind and sky  
Let it go, let it go  
You'll never see me cry!

Here I stand  
And here I'll stay  
Let the storm rage on!

Bridge:

**C**

My power flurries through the air into the ground  
My soul is spiraling in frozen fractals all around

**D**

And one thought crystallizes like an icy blast

**Emi C**

I'm never going back,

**D A C**

The past is in the past!

Let it go, let it go  
And I'll rise like the break of dawn  
Let it go, let it go  
That perfect girl is gone!

Here I stand  
In the light of day  
Let the storm rage on,  
The cold never bothered me anyway!
