

Slowly  
Softly  
Please serenade me, I'm here  
Restless  
Reviving  
River of life, you are here

Tell me you love me  
Tell me you see me  
Show me your laughter  
Feed me  
Tell me you love me  
I'll know what you need  
Raise your hand  
And reach for me

Reach for me

Silent  
Slumber  
Sweetheart, your thunder is my thorn  
Bathing  
Beauty  
Ballad of bliss, you are born

Tell me you love me  
Tell me you see me  
Show me your laughter  
Oh, won't you feed me  
Tell me you love me  
I'll know what you need  
Raise your hand  
And reach for me

Oh baby, won't you reach for me

Pretty  
Precious  
Prism in darkness, you make me proud  
Fragile  
Fondly  
Finally, a new day we have found

Tell me you love me  
Tell me you see me  
Show me your laughter  
Oh, won't you feed me  
Tell me you love me  
I'll know what you need  
Oh baby, won't you raise your hand  
Won't you raise your hand  
And reach for me
