

Beg for It

Iggy Azalea

I'mma make you beg, I'mma make you beg for it
I'mma make you beg, I'mma make you beg

Pulled up looking picture perfect, baby
High price, but I'm worth it, baby
Can't play with ya, I've been busy workin', baby
Gettin' faded in the European swervin' name
Look, describe Iggy, ground breaking what the word is
Hit the stage, ass shaking like I'm nervous
When in New York I be parking right on Madison
This ain't no accident, I'm killing them on purpose
I-G-G ... Y did she just have to do it better
Baby ride with me, fly livin', ain't nothin' to it
And my waist slim, ass fat, you gotta have it
Get my bake on, cake long
That's automatic

I know you like the way I turn it on
I'm out here with my friends
I'm a make you beg, I'm a make you beg for it
If you don't do this right, you're going home alone
I guess you'll have to beg
I'm a make you beg, I'm a make you beg for it

P-p-pussy power, pay me by the hour
I need me a braveheart, can't deal with the coward
I tell him if he ain't ballin', he should hit the showers
If I peek and you lucky, baby, there's money hours
All yellow gold on me like I'm Trinidad
Sitting drop top wonder where the ceiling's at
I know my old thing, wanna bring the feeling back
But I got a new thing, baby I ain't feeling that
Now Iggy Iggy, Iggy can't you see? that everybody wanna put their hands on me
See I be on this money while your man on me
And I need another hand with all these bands on me

I know you like the way I turn it on
I'm out here with my friends
I'm a make you beg, I'm a make you beg for it
If you don't do this right, you're going home alone
I guess you'll have to beg
I'm a make you beg, I'm a make you beg for it

Get up out my face like who'd you think you are
Talking all this trash like blah-di-blah-di-blah
Oe oh, na uh, Oe oh, na uh
Get up out my face like who'd you think you are
Make me wanna laugh like ha-di-ha-di-ha
Oe oh, na uh, Oe oh, na uh

I know you like the way I turn it on
I'm out here with my friends
I'm a make you beg, I'm a make you beg for it
If you don't do this right, you're going home alone
I guess you'll have to beg
I'm a make you beg, I'm a make you beg for it

Get your hook boy I'm like a drug
If you want my love better smoke it up
Make you beg for it, I'm a make you beg for it
You can look boy but don't you touch
If you want my love make me give a fuck
Make you beg for it, I'mma make you beg for it
