

Boogie Boy

Iggy Pop

I'm a boogie boogie boogie boogie boy
I like to play around with boogie toys
I need a boogie girl to boogie too
I need a doogie god my shoe to chew
I like to make a dumb ass noise

Because I 'm a boogie boogie boy
Now every mornin I wake up at nine
I'm eating cheerios with red wine
I'm reading that book but it's not too good
'cause my boogie head is made outta wood
