

# Go for the Throat

Iggy Pop

I was layin' in a coma  
By the side of some damn road  
My fuckin' heart was poundin'  
Like I thought I would explode

I had no protection  
No family or friends  
I had nothing really  
But a will to make this end

Go for the throat, go for the throat  
Go for the throat, go for the throat  
I'm fucked up, I'm so fucked up

It isn't very nice  
What I do to make end's meet  
It isn't very pretty when you hate  
The folks you meet

It's a shame to feel hurt  
And angry everyday  
It's a shame to take that out  
On whoever's in the way

Go for the throat, I'm fucked up  
Go for the throat, I'm fucked up  
Go for the throat, I'm fucked up  
Go for the throat, I'm fucked up  
Man, I'm so fucked up

I'm fucked up, I'm fucked up  
I'm fucked up, I'm fucked up  
Man, I'm so fucked up

Poor little girl  
I hurt her pretty bad  
I ain't been the same  
Since I lost my mom and dad

Where is the justice?  
Well, I really don't know  
When everybody's singin'  
Like a fucking so and so

Go for the throat, I'm fucked up  
Go for the throat, I'm fucked up  
Go for the throat, I'm fucked up  
Go for the throat, I'm fucked up  
Yeah, I'm so fucked up

Yeah, yeah, yeah

They took away my freedom  
They took away my games  
They took away my innocence  
Gave me shitty fame

There's nothing left to stop me  
There's nothing left to feel  
There's nothing left inside me  
But a low down dirty deal

Go for the throat, go for the throat  
Go for the throat, I'm fucked up, baby  
Go for the throat, I'm fucked up, baby  
I'm so fucked up, baby

I'm so fucked up  
Oh, I'm fucked up, I'm so fucked up  
Oh, I'm fucked up, I'm so fucked up  
Go for the throat

I'm fucked up, yeah, I'm so fucked up  
Go for the throat, go for the throat  
Go for the throat, go for the throat  
Go for the throat, go for the throat

Oh, the throat, go for the throat  
I'm fucked up, man, I'm so fucked up  
I'm so fucked up, I'm fucked up, oh  
I'm so fucked up, go for the throat
