

He's Dead / She's Alive

Iggy Pop

He's dead, she's alive
He's dead, she's alive
She's gonna get him by the eyes

He's slow, she's fast
He's slow, she's fast
She's gonna get him with that ass
He's gonna ... he's gonna ... he's gonna ... baby, baby

Woohoo
He's gonna fuck to death now
She's gonna fuck to death now
They're gonna fuck to death now
Woohoo
Fuck to death

Alright
