I like your wooden door, baby

If I could rule the night, baby
Em
I'd turn it into white
B **A**
There wouldn't?

High on you

I like your rugged cross, baby
I don't pray in churches, baby
I got nowhere to worship, baby
Because it isn't him
I don't need a ? man

I'm getting high on you
I'm getting high on you
I'm getting high on you
High on you

D **Em**
Terrorist in my heart
D **Em**
Tearin' it all apart
D **Em**
Terrorist in my heart
D
Tearin' it all apart

Em Em F# G (8x)

I love the way you feel, baby
The mornin' startin' drunk, baby
Drinking of your soul, baby
And everything I know
Digs the way your body glows

G **Em**
I'm getting high on you
G **Em**
I'm getting high on you
G **Em**
I'm getting high on you
G **Em**

I'm getting high on you

G **Em**
Corrupting in the air, I really need you

G **Em**
You got two play rides, I really love them

G **Em**
My we're getting high, are we getting high
