

I'm Sick Of You

Iggy Pop

Goodbye Betsy I'm goin' away
I'm sick of you and there ain't no way
don't want to know, don't want to see
don't you ever bother me
Sick of hanging around your pad
Sick of your Mom and sick of your Dad
Yeah and Betsy,
its sad but true,
now I'm even sick of you.
No way, no way, no way
No way, no way, no way
No way, for our love
No way for our love
'cause I'm sick of You.
Good bye Betsy I'm going away.
Sick of you and i don't want to stay
don't want to know, don't want to see
don't you ever bother me
Sick of hanging around your pad
Sick of your mom and sick of your Dad
Yes and Betsy its sad but true
Now I'm even sick of you.
No way, no way, no way
No way, no way, no way
No way, for our love,
No way for our love
'cause I'm sick of you
Every evening and every day,
Seem to always turn out this way,
To get an end
I better find new love,
then you'll pay,
then you'll pay,
ain't no way.
'cause I'm sick of you.
Goodbye Betsy I'm going away,
Sick of you and i don't want to stay
don't want to know , don't want to see
don't you ever, bother me
