My mommy told me
If I were goody
That she would buy me
A rubber dolly

I got some energy to burn

It makes me jumpy and nervous

But I'm too damn old to join the military service

Hup two three four

I got to hit my baby on a Saturday night

You know the devil made me do it

I know it wasn't right

Like a loco mosquito 'Round and 'round Igo And when I'm hungry Down I go

Please Mr. Custer I don't wanna go
And spend my night in a bar with some stupid dodo
I'm sick of hanging 'round with old transvestites
They stare at my rubbers
It makes me uptight

And here I go
In love again
Here I go-oh wo wo
Like a loco mosquito

I got some energy to burn
But you always want to tap it
You're busy sucking on my gas tank
Before I can tap it

Like a loco mosquito
'Round and 'round Igo
And when I'm hungry
Down I go

Loco Mosquito
