I'm healthy as a horse
But everything is spinnin'
And if I use a gun I'm sure to go to prison
I'm stubborn as a mule
And nobody breaks my rules
But nothin' comes my way.

I've got a hard-ass pair of shoulders I've got a love you can't imagine Yeah, and what I got I double I swear I'm keepin' out of trouble.

I'm lookin' for one new value I'm lookin' for one new value But nothing comes my way.

We live in the same world

But nothin' comes my way.
