

## Homecoming

Ihsahn

I have tried so hard  
To regain my faith  
In man  
Yet, I fail again  
To uphold this  
Deception  
His collective truths  
Are far too salt

I return instead  
To the Heart and Self  
And say:  
"Unutterable and nameless  
Is that which maketh my sou's pain  
And sweetness,  
And which my bowels yearn upon".
