Eternally

I'll be loving you eternally With a love that's true, eternally From the start, within my heart It seems I've always known The sun would shine When you were mine And mine alone

I'll be loving you eternally There'll be no one new, my dear, for me Though the sky should fall Remember I shall always be Forever true and loving you Eternally

I'll be loving you eternally With a love that's true, eternally From the start, within my heart It seems I've always known The sun would shine When you were mine And mine alone

I'll be loving you eternally There'll be no one new, my dear, for me Though the sky should fall Remember I shall always be Forever true and loving you Eternally

Forever true and loving you Eternally
