

Skin as pale as grave  
More thirsty now than ever before  
The hatred for each other fuels your lust  
All you live for is blood no matter the cost

You will drain their lives  
And still for blood you thrive  
Nothing can stop you nothing can kill  
This pinnacle creature of the night

Welcome to my world - Vampiria  
I live for the thrill of the kill - Vampiria  
To live or love? My home - Vampiria  
I bid you to enter my world - Vampiria

Hunting in the night, take a breath make a sigh  
Your victim has no clue what waits ahead  
Eternal life and crushing hunger  
For all eternity you will be no longer

Fangs as sharp as razorblades  
More greedy now than ever before  
The cold and bitter pleasure will rage  
And kill the thrill of the kill

Welcome to my world - Vampiria  
I live for the thrill of the kill - Vampiria  
To live or love? My home - Vampiria  
I bid you to enter my world - Vampiria

The only thing to fear is a wooden stake  
In your heart so make no mistake!
