

## Livin' On Love

Ilse DeLange

I didn't know what I was getting into  
When I got my first taste of you  
You were just what I was lookin' for  
And once I had a little I had to have more  
'Cause I'd wake up moanin' in the middle of the night  
The sound of your name was all that sounded right  
Ran back to your door all soaked with sweat  
Had to have your kiss before I starved to death  
When you're livin' on love and it's all you need  
A constant hunger that you've got to feed  
Livin' on love and there ain't no doubt  
It's the one thing you can't live without  
You can have the world  
But you still wouldn't have enough  
None of that matters when you're livin' on love  
Nothing else matters when you're livin' on love  
Some folks just don't seem to understand  
How I seem to survive on the touch of your hand  
I don't need to eat, I don't need no rest  
If I can get my fill of your tenderness  
When I get wore down and feelin' rough  
A long cool drink from your lovin' cup  
Makes me feel better, makes me feel strong  
Have mercy on me if I find you gone  
When you're livin' on love and it's all you need  
A constant hunger that you've got to feed  
Livin' on love and there ain't no doubt  
It's the one thing you can't live without  
You can have the world  
But you still wouldn't have enough  
None of that matters when you're livin' on love  
Nothing else matters when you're livin' on love  
When you're livin' on love and it's all you need  
A constant hunger that you've got to feed  
Livin' on love and there ain't no doubt  
It's the one thing you can't live without  
You can have the world  
But you still wouldn't have enough  
None of that matters when you're livin' on love  
Nothing else matters when you're livin' on love  
Livin' on love  
Livin' on love  
Livin' on love
