Ilse DeLange

We can sit in this silence without a word
You can sit in the quiet and still be heard
Let the tears go if you feel you gotta
Let your mind speak if you really wanna
Let your soul breathe, let your soul breathe
If you really wanna, you wanna

It's okay with me
Be what you wanna be
Let me be your safety when the fall is dark and deep
I've been where you've been
Lean on me, my friend
You can let the pieces of your heart start crumblin'
It's okay with me

It's okay, it's okay, it's okay, it's okay
It's okay with me
It's okay, it's okay, it's okay
It's okay with me
It's okay, it's okay, it's okay, it's okay
It's okay with me
It's okay, it's okay, it's okay

Rumors hit you like thunder, so damn cruel
Almost taking you under like a fool
You listen to that people-pleasing chatter
They don't know ya, know ya like I know ya
They don't love ya, but it doesn't matter
No, it doesn't matter, no

It's okay with me
Be what you wanna be
Let me be your safety when the fall is dark and deep
I've been where you've been

Lean on me, my friend
You can let the pieces of your heart start crumblin'
It's okay with me

It's okay, it's okay, it's okay, it's okay
It's okay with me
It's okay, it's okay, it's okay, it's okay
It's okay with me
It's okay, it's okay, it's okay, it's okay
It's okay with me
It's okay, it's okay, it's okay

Let the tears go if you feel you gotta
Let your mind speak if you really wanna
Let your soul breathe, let your soul breathe
If you really wanna

It's okay with me
Be what you wanna be
And let me be your safety when the fall is dark and deep
I've been where you've been
Lean on me, my friend

You can let the pieces of your heart start crumblin'
It's okay with me

It's okay, it's okay, it's okay, it's okay
It's okay with me
It's okay, it's okay, it's okay
It's okay with me
It's okay, it's okay, it's okay, it's okay
It's okay with me
It's okay, it's okay, it's okay

It's okay, it's okay, it's okay, it's okay
It's okay, it's okay, it's okay
It's okay with me
